## Message from the Executive Committee

*“How good, pleasant it is when  
brothers live (work) together in  
unity.” Psalm 133:1*

It was good to see 65 people together working  
at CECC. Our property needs so much help  
right now and many churches came together  
for an awesome work day on March 14. It  
was cold and it rained on and off, and people  
continued to work from 7:30 a.m. until 5:00  
p.m. What an effort - WOW! We even ate  
lunch together provided by volunteers.

I have not seen such an effort in all the years I  
have been involved at camp since 1992. What  
a turn out, here are the churches that were  
involved (my best guess).

New Hope Christian Church  
North Brunswick Christian Church  
First Christian Church Sylvania  
Rincon First Christian Church  
Wildwood Christian Church  
Columbia County Christian Church

We completed 32 items on our master work  
list. There are 21 items still in progress and 31  
items still to be completed. Each church  
should receive a copy of the updated work list  
information. Contact Columbia County  
Christian Church if you have any questions.
