## Message from the Executive Committee

Did you get your promotional packet? We sent each church a promotional packet with a DVD and list of **How to Promote the Camp** this summer. If you or your church is new to the Camp, we will gladly answer any questions you might have. The most important thing you need to know is that any child or teen that goes will be studying the Bible and getting to know our Savior Jesus Christ, Eph 4:13. We would like all children and teens to come to completeness in Christ. So please promote camp and be ready to send children and teens starting June 4, 2009.
